Administrator || Data Analyst || AWS Certified

📍 Quezon City 📞 +63 0915 642 7524 📧 [jhontelthonyarnado@gmail.com](mailto:jhontelthonyarnado@gmail.com) 🔗 <https://www.linkedin.com/in/telthony/>

## Experience

### Eskwelabs

April 2025 - June 2025

Data Analyst Intern

Makati City

🔗 <https://www.eskwelabs.com/>

- Gained valuable experience in essential professional skills that will support my future career development.
- Completed various assignments and projects based on topics discussed during team meetings, allowing me to apply theoretical knowledge to practical tasks.
- Engaged in meaningful conversations and brainstorming sessions with peers and mentors, which enriched my learning experience.
- Developed a deeper understanding of how data can be used to inform decisions, create value, and drive impact.
- Enjoyed a fun and stimulating work environment that encouraged curiosity, creativity, and continuous learning.

### Buoyant Industrial Systems Incorporated and Lucky3rd Global Corporation

May 2023 - January 2024

Project Management Administrator

Calamba, Laguna

🔗 <https://www.facebook.com/buoyantfilterslocalph>

- Managed overall operations for a project valued at PHP 38,000,000 (USD 600,000), ensuring smooth execution and adherence to timelines.
- Oversaw all project-related paperwork, including weekly ID renewals and hot work permits, maintaining compliance and operational efficiency.
- Acted as the primary liaison with government entities and clients, managing budgeting and billing processes.
- Played a multi-faceted role in ensuring project success through diligent oversight and coordination.
